Welcome to HCTC Libraries at the Hazard Campus, Lees College Campus, and Extended Campus.

At HCTC Libraries, students, faculty, and staff can find a comfortable place to relax and study.

Students can check their email and do homework on library computers or bring their own laptops to access the wireless connection. HCTC Library personnel are there to help students find the resources they need for their assignments.

Students can search book collections through the KCTCS online library catalog. They can also search library databases online for electronic books, as well as magazine, newspaper, and journal articles.

HCTC Libraries are proud to offer special events like the annual Evening with Poets. If you are an online student, the extended campus librarian is ready to help you find what you need.

Thank you for visiting HCTC Libraries.
