Scroll down to Databases>Click Gale Resources 2.0.

Databases

**Credo:** Search full-text online versions of about 1200 published reference works from more than 70 publishers in a variety of major subjects. These include general and subject dictionaries as well as encyclopedias.

**EBSCOhost:** Find magazine and scholarly journal articles, primary sources, newspaper articles, eBooks and more.

**Gale Resources 2.0:** Find over 20,000 journals, magazines, newspapers and more than 175 million pages of primary sources: includes **Opposing Viewpoints in Context** and the popular **Testing & Education Reference Center (TERC)**.

You will be prompted to sign in using your KCTCS email address and password to access HCTC databases.

Scroll down to and click Testing & Education Reference Center.

From the homepage of Testing & Education Reference Center, scroll down to Practice Tests & Courses>Click More Info.

From the full list of subjects, scroll down to Medical/Nursing>Click TEAS, PSB-RN, and PAX Practice Tests.
Beneath PSB-RN, and PAX Practice Tests, click Start Now.

Login using your Testing & Education Reference Center username and password.

If you do not have an existing login you can attempt to *register.

*If you have issues registering a new account, you will need to come to a library location (Lees College Campus Library or the Stephens Library at Hazard) to complete registration.
